How can UMES and the Frederick Douglass Library help you succeed with finals?

Live 24/7 online tutoring for Writing, Math, Chemistry, Organic Chemistry, Biology, Physics, Introduction to Human Anatomy & Physiology, Accounting, Economics, Finance, Statistics, and Spanish. You must sign up at the Student Development Center soon to be assigned a username and password.

A 24/7 chat session with a reference librarian both from UMES and from other universities. It gives you the expertise of librarians to provide answers to questions, research guidance, and help navigating the Internet.
