Chioma’s Top 5 Know Before You Go.
Research the country and the language. Try to learn some words before you go.

1. Language. Try to learn some words before you go.
2. Plan. Give yourself as much time to plan as possible. Start thinking about study abroad and looking into it as a freshman or sophomore.
3. Transportation, options, how to use and cost. Find useful apps.
4. Budget! Enough funds for study abroad daily life there & special occasions or side trips.
5. Be open to other cultures for an experience you will never forget.

Chioma Nkpuechina, (Recent UMES Graduate, Math Major, international student, athlete, Honors Program)

Thanks, Chioma!

CIE is thinking of your safety and well-being!

A reminder from Dr. Khoza: Please be informed that we are here to assist you with concerns you may have as they relate to your learning environment. This includes your health, safety, and traveling practices during this COVID19 pandemic, and in general. Equally of concern is the need to be compliant with all immigration policies as they regulate international students while studying at UMES. Important immigration and regulation information will be shared in our newsletter as they arise.

ARE YOU A STUDY ABROAD ALUM? Did you participate in a medical mission? Did you take a class and take the abroad trip option as part of the class? Did you do a study
