HOW TO RESPOND TO YOUR FINANCIAL AID OFFER

To respond to your academic year aid offers online, you must read and fully understand this information sheet. Failure to do so may cause errors resulting in significant delays in your ability to obtain funding for your education.

Your electronic Award Notification lists the financial aid you may be eligible to receive if attending full-time (twelve or more credits). Please note that your aid will be reduced after the drop/add period if your enrollment has changed and you did not notify our office in advance. The amount of your award is determined by:

- Federal methodology, a formula established by Congress which calculates your expected family contribution (EFC) from the information you submitted on the FAFSA
- The amount of aid available at the time of awarding; and
- Distribution formulas according to federal, state and University guidelines

To obtain your Financial Aid Award Notification electronically, you will need to access your HawkWeb account (http://www.umes.edu/myumes). If you are a new student and have not created your HawkWeb account, you may do so by accessing http://www.umes.edu/newaccount. You will need your user ID and password to access your information. The Family Educational Rights and Privacy Act (FERPA) prohibits the release of this information to anyone but the student. The Office of Student Financial Aid does not have access to your HawkWeb user ID and password.

Aid years listed indicate your access to eligibility information regarding your Financial Aid Application.

• Below is an example of what your award screen MAY look like. Click on the name of the financial aid item to read more about it.

• Students must “Accept” any federal loans that they want to receive for the upcoming academic year. If a lower dollar amount is desired, the loan amount may be decreased once the “Accept” box has been selected prior to clicking “Submit”

Remember, these amounts are for the entire academic year, not just per semester.

• If there is a Federal Direct PLUS loan listed (dependent/graduate students only), it cannot be “Accepted” or “Denied” on the Award Package screen. The amount listed by the PLUS loan is the maximum a parent/graduate student can request if they decide to apply for the PLUS loan. For more details about the PLUS loan process, please see the last page of this form.

• Once you “Accept” or “Decline” your loans, you must “Submit” your selections

The following steps are necessary to obtain the aid you have been offered. Not all awards will require additional steps.

- **Responding to Gift Aid** – gift aid awards are monies that you do not have to repay, such as federal and institutional grants, state scholarships, and tuition waivers and outside scholarships. *These awards are already accepted for you.*

- **Responding to Federal Direct Stafford Student Loans** – you will have the option to Accept/Reduce and/or Decline Federal Direct Stafford Loans (if offered). The loans represent the maximum that you are eligible to borrow, so it is very important that you think carefully about your expenses and *accept only what is needed.* If you choose to reduce your loan offer, check the box in the accept column and indicate the reduced amount you wish to borrow in the Accepted box. If you are offered both the Federal Direct Subsidized Stafford Loan and the Federal Direct Unsubsidized Federal Stafford Loan and wish to accept a loan for a reduced amount, you **MUST** reduce the Federal Direct Unsubsidized Stafford Loan first.

Please note, your loans will not be processed and will not appear in pending financial aid unless you officially “Accept” the award(s).

- **IF YOU ARE A FIRST TIME BORROWER AT UMES**, you must complete the following items BEFORE the loans will disburse to your student account:
  1. Master Promissory Note (MPN) and
  2. Online Loan Entrance Counseling session

These requirements can both be completed at [http://www.StudentLoans.gov](http://www.StudentLoans.gov). You will need your U.S. Department of Education PIN. If you do not have, or cannot remember your PIN, you may apply for or retrieve your PIN at [http://www.pin.ed.gov](http://www.pin.ed.gov). Please allow 1 week for processing after you accept your loan(s) before you go online to complete these two REQUIRED items.

*if you have recently borrowed at another institution, you should only need to complete the online Loan Entrance Counseling session.

- **Responding to Federal Direct Parent PLUS Loans (For Dependent Students only)** – A parent has the option to borrow money to assist with paying the student’s charges. Please be advised that the Federal Direct PLUS Loans are based on credit, and a parent must be approved for this loan prior to any funds being disbursed.

If you (a parent borrower) wish to accept this offer, please go to [www.studentloans.gov](http://www.studentloans.gov) to apply. A parent borrower must use their own information (SSN, Name, DOB, and FAFSA PIN) to sign into the website. Once signed in, select “Request a Direct PLUS Loan”; then select the loan type “Parent PLUS” to complete the online application.

*Beginning for the 2014-2015 Award Year, paper PLUS Loan Applications are no longer accepted.

If you need assistance in completing your award acceptance online, please contact the Office of Student Financial Aid at 410-651-6172 or by email financialaid@umes.edu.
