What Can You Do As An Alum?

The University’s alumni represent the legacy of our institution and offer powerful inspiration to today’s students. As such, our alumni can assist the University in achieving its goals and fulfilling its mission in a variety of ways.

RECRUITING
As partners, alumni can assist in the recruitment of potential students to the University. There is no better publicity for the quality of education UMES offers than alumni that share their positive experiences.

TRAINING
As graduates, our alumni can provide students with knowledge of the University’s rich history and traditions that foster unity and promote school spirit, which will in turn, foster in those students, a lifelong connection to their Alma Mater.

CAREER MENTORING
As professionals, alumni can share their knowledge, expertise and work experience with students as they prepare for careers in our global community. Alumni can serve as mentors, and assist with career readiness and placement of graduating students in every field of study.

VOLUNTEERING
As volunteers, alumni can use their time and talents to contribute to the growth and sustainability of the University.

SUPPORTING
As supporters, alumni can engage with University of Maryland Eastern Shore by attending alumni activities, special events on campus, and in your everyday lives as you share good news about the university with those around you.

GIVING
As providers, alumni can leave a legacy to their Alma Mater by giving to others what was given to them as students; that is opportunity. By giving to the University, alumni can ensure, through perpetuity, that students, for years to come, will have access to quality education.
