

## Support the University's Professional Dress Clothes Closet

This fall, the University of Maryland Eastern Shore will open the University's first Professional Dress Clothes Closet and WE NEED YOUR HELP!

You can host a bin in your office or department and help us stock up our closet. We will drop off and pick up a bin that your office can host for 2 weeks, from September 9-23, 2019

If you are interested in hosting a bin please email Dr. Clinton-Scott [-beclinton@umes.edu](mailto:beclinton@umes.edu) and she can send a bin your way. We appreciate your support and thank you for contributing to the closet that will help UMES students get the professional attire they need to be successful in their careers and professional endeavors.
