The Career & Professional Development Ambassador program at the University of Maryland Eastern Shore, functions as a connection between the Career & Professional Development Center and the student population at the University. The Ambassadors are trained to provide career related assistance to students, outreach presentations and assistance with marketing programs and events implemented by the Career & Professional Development Center. They serve in the role of educator, advisor, consultant presenter and liaison.

WHAT IS A CAREER AMBASSADOR?
Career Ambassadors are student leaders who assist other students in the Career & Professional Development. Through in-depth training and guidance in professional development, career ambassadors provide peer advising to undergraduate students on career related topics. In addition, they provide a professional but pleasant experience for both the Career & Professional Center, University of Maryland Eastern Shore and to all patrons, including employers recruiting on campus during the fall and spring semesters. The career ambassadors not only help peers with items like resumes and cover letters during drop-in hours, but also create resources and initiatives for the Career and Professional Development that are utilized for years to come. Career Ambassador are also give community service hours. Ambassadors must commit to the full semester in the program. You will be given the opportunity to continue on to the following semesters if this is desired and performance has been satisfactory.
