Nominate Students for 2018 BEYA Student Leadership Awards!

Do you know an outstanding college student or athlete who should be honored at the BEYA STEM Conference's Student Leadership Awards Ceremony on February 9, 2018?

We are currently looking for students who have gone above and beyond their athletic achievements or education commitment in science, technology, engineering or math (STEM). Students who are selected as winners will be recognized on a national platform in front of their peers, STEM professionals, and mentors.

We Are Currently Accepting Nominations in the Following Categories:

LEADERSHIP AWARD: The Student Leadership Award serves to recognize students who are striving to make outstanding contributions to the varied aspects of science, technology, engineering, or math education and who have demonstrated an interest and commitment to volunteering and learning while impacting the academic atmosphere of their campus.

classroom and in their respective sports.

RESEARCH AWARD: The Student Research Award serves to recognize students who are striving to make outstanding contributions to the varied aspects of STEM education through research and presentations advancing the recognition of their university.

COMMUNITY AWARD: The Student Community Award serves to recognize students who are striving to make outstanding contributions STEM education through a commitment to volunteering and learning by interacting and engaging the campus and local community.

ACADEMIC AWARD: The Student Academic Award serves to recognize students who uphold the principals of scholarship and are impacting the academic atmosphere of their campus in a positive way.

STUDENT-ATHLETE IN STEM AWARD: The Student-Athlete Award recognizes the drive and determination of talented students who perform highly, both in the

Once your submission is completed, we will confirm via email and send additional information about the event. **The deadline to submit your application is December 22, 2018**
