

Dr. Lane, Current HSA Officers, and HSA Members,

My name is Emily Diserod, and I am running for the position of Executive Vice President of the Honors Student Association for the 2015-2016 school year. I have served as the Vice President of Social Media for the past two school years, and I feel that I am capable of taking on more responsibility for the board. I am currently a Junior and a chemistry major. I am also a member of Phi Kappa Phi, National Society of Leadership and Success, and the softball team. I also tutor in the Math Lab on campus. While I keep a very busy schedule, I am prepared to devote time to the HSA and its members. In previous years, I have worked on several projects including the HSA t-shirt fundraiser, bake sale, the re-writing of the Constitution and By-Laws, and the First-Look fair, as well as updating the club's Facebook page and representing the HSA at other events. If elected, I plan on working hard to open the mini golf course next year. I also hope to continue fundraising and building relationships between the members and the board, so that we can better serve the needs of the organization and the Honors Program. I plan on making the HSA one of my top priorities. I hope that you will consider electing me, Emily Diserod, as your Executive Vice President for the 2015-2016 year.
