

## Tips for Advising UMES Honors Students—1

### Question:

How do I know if my advisee is in the Honors Program?

### Answers:

#### 1. Consult our list.

*A list of students in the Honors Program is shared with Deans and Chairs to be forwarded to you. Note that this list is accurate to our best knowledge, but students do not always notify our office when they change majors.*

#### 2. Contact the Honors Program to inquire.

*Email Dr. Lane: [melane@umes.edu](mailto:melane@umes.edu) or call x3070. We'll be happy to assist!*

#### 3. Check “Student Groups” on HawkWeb.

- In HawkWeb, select “Self Service”, then “View My Advisees”
- Search for student using name or student ID #
- Select “General Info” tab, then “Student Groups”
- An “**Active**” status for the following group codes confirms that your advisee is in the Honors Program:
