

Disability Statement

Students capable of success, regardless of their disabilities are admitted to the university. The faculty and staff of the University of Maryland Eastern Shore work cooperatively to assist their students in achieving their educational goals. Moreover, students with disabilities are accommodated in accordance with both federal and state laws. To receive special accommodations for a disability, the student must register with Student Disability Services before any accommodations can be granted. At the time of registering for disability services, please bring documentation to support your claimed disability. The documentation must be within three years and provided by a licensed professional with expertise in the special disability area. If you have questions about disability services or accommodations, please contact Dr. Dorling Joseph at (410) 621-3446. The Student Disability Services office is located in the Student Services Center (SSC), Suite 2169.
