

Name \_\_\_\_\_

Thank you for attending our project presentations and taking the time to write thoughtful answers to the following:

**Essential Question: How can energy be transformed into useful forms?**  
**Enduring Understanding: Renewable, clean energy technologies can improve our quality of life, our future, and create significant economic opportunities.**  
**Driving Question: How can I capture the energy of the wind?**

Group	What I learned/thought about:	Strengths	Improvements

**SELF-REFLECTION ON PROJECT WORK:**

**Driving Question:** How can I capture the energy of the wind?

**List the major steps of the project.**

**About Yourself:**

**What is the most important thing you learned in this project?**

**What do you wish you had spent more time on or done differently?**

**What part of the project did you do your best work on?**

**About the Project:**

**What was the most enjoyable part of this project?**

**What was the least enjoyable part of this project?**

**How could your teacher(s) change this project to make it better next time?**
